From The East

Greetings Brethren,

Time has arrived to re-enter the Lodge in person to conduct business and our work. We have not been allowed to meet in the Lodge for 15 months. Many restrictions are required by the Grand Lodge of California for in-person meetings.

1. Members entering the lodge must prove that they are vaccinated or have a valid test result testing **NEGATIVE** for COVID-19 within 72 hours prior to the Stated Meeting or any events at the Lodge.
 - a. Pfizer and Moderna vaccines require the second shot plus an additional 14 days.
 - b. Johnson & Johnson vaccines require an additional 28 days.
 - c. Proof can be a photo or the paper CDC card.
 - d. **No proof of vaccination or testing will lead to the Lodge denying entry to the member.**
2. Masks will be worn from the time the member enters the building until exiting the building. Masks must properly cover the mouth and nose.
3. Per the GL, all members must be on the Guest List. Members must make a reservation with the Master, Senior Warden, or the Secretary.
4. Per the GL, members will be assigned seats on the seating chart.
5. Proper social distancing will be required. No unnecessary contact will be allowed (handshakes, hugs, etc.).
6. Seating for dinner will be 4 members per table.

These restrictions are required by the Grand Lodge of California for in-person Stated Meetings or special meetings.

The **Site-Specific Protection Plan (SPP)** is on the following pages. Please read through it in its entirety.

I look forward to seeing you in the Lodge!

Fraternally,
William Eadus
Worshipful Master

Individual Control Measures and Screenings with Respect to all Meeting Attendees

Prior to any meeting at the site –

- The lodge or other organization intending to meet at the site (referred to collectively as the “lodge”) determines who will be attending the meeting and creates a temporary written guest list (list is at the end of this document) of likely attendees. The guest list should not exceed in number the maximum amount permitted by state and county directives. If county social distancing requirements limit seating capacity, the lodge limits attendance accordingly. The lodge retains the seating plan and makes it available to the hall and inspector at their request.
- In the case of Stated and Special Meetings, the **finalized** guest list will be the Tilers’ Register which will include notations as to the seating of each Brother. The Tiler will note in the Register the seating location for each Brother. Officers will sit in their Ritual locations, the rest of the Brothers will be identified as sitting in the SE, NE, SW, or NW. (see attached Seating Chart) This Register page will be made available for review (at the Lodge only) by the Lodge to the Hall and/or Inspector at their request.
- On the day of the meeting, one or more representatives of the lodge: (i) confirms with hall representatives that the protocols described in the section of this SPP below, called “**Cleaning and Disinfecting Protocols,**” have or will be carried out prior to the meeting; and (ii) goes to the site prior to the meeting to ensure that the site and its furniture are arranged adequately to conduct the meeting safely and in a manner consistent with county social distancing requirements.

At the meeting at the site –

- The lodge designates two officers whose responsibility it is to ensure that the following meeting protocols are adhered to in all respects. Those officers, at the conclusion of the meeting, attest in writing on the Seating Chart and Guest List that the meeting protocols were adhered to (in the case of a Stated or Special

Meeting this will be done on the Tilers' Register). The lodge retains the attestation of those officers and makes it available to the hall and inspector at their request. In the case of a Stated or Special meeting those officers will provide their signatures **on the Tilers' Register.** (which will be available for review in the Lodge only)

Prior to any meeting at the site

Ensure health department COVID-19 flyers and guidelines are prominently posted at the entrance door. A Lodge officer will meet with a Hall representative before a meeting or event to ensure the protocols of the SPP will be carried out or be carried out before the event.

Meeting Protocols

- Proof of vaccination paper copy/phone photo of both sides of CDC form or COVID -19 NEGATIVE test results less than 72 hrs prior to event. Members must be vaccinated with the second injections of Moderna or Pfizer plus 14 days prior to entry, J&J injection plus 28 days or NEGATIVE Covid-19 test results 72 hrs or less prior to event.
- Members and guests will be expected to adhere to social distancing guidelines, sit only in designate seating areas, and maintain a distance before and after the scheduled event.
- There should be no unnecessary physical contact – handshakes, ect.
- All Attendees will self-screen for symptoms at home following [CDC guidelines](#). Attendees with symptoms are not to attend the meeting.
- No attendee enters the meeting unless the attendee is on the lodge guest list and provides the lodge officer with written documentation of either a recent (within the last 72 hours) negative COVID-19 test or full vaccination (all required doses). If a copy is left with the Lodge then it will have it on Record for all subsequent meetings and will not be required to be displayed.
- **All** persons attending entering the facility are to use hand sanitation at the entry door. Face coverings for all meetings and events are required and are not to be shared. Entry will be made using the Lodge front door only. Members will enter using the South side hand rail of the stair way. Exiting will be made using the North side handrail of the stairway
- There is to be no intermingling of multiple private events at this site.

Cleaning and Disinfecting Protocols

- Cleaning and disinfecting of high traffic areas and touchable surfaces will be performed before each meeting or special event and between each use. These areas may change depending on the nature of the event (for instance, there is no need to need to clean/disinfect the kitchen area if not used and access is blocked).

- Thorough cleaning in high traffic areas is to be performed within 24 hours prior to any meeting or event. Commonly used surfaces are to be frequently disinfected.
- All shared equipment and touchable surfaces are cleaned and sanitized between each use, starting at the entrance gate at the rear of the building and including the staircase and elevator.
- Cleaning and disinfecting schedule:
 - Lodge room – prior to any meeting or event
 - Kitchen – weekly and prior to any meeting or event
 - Bathrooms - weekly and prior to any meeting or event
 - Dining Room - weekly and prior to any meeting or event
 - All other areas: prior to any meeting or event
- Entrances and exits are equipped with proper sanitation products, including hand sanitizer and/or sanitizing wipes.
- Restrooms and hand-washing facilities will be made available and will stay operational and stocked at all times and additional soap, paper towels, and hand sanitizer are supplied when needed.
- Sanitizing supplies are provided to promote attendees' personal hygiene. This may include tissues, no-touch trash cans, hand soap, adequate time for hand-washing, alcohol-based hand sanitizers, disinfectants and disposable towels.

Physical Distancing Guidelines

Notification of COVID-19 Positive Case at Site

- The county is to be notified by the meeting/event sponsor of all positive COVID-19 cases.
- Attendees are aware that they can contact the county if a suspected exposure has occurred.

Training

The lodge's members are trained on the following topics:

- Information from the [Centers for Disease Control and Prevention](#) (CDC) on COVID-19, how to prevent it from spreading, and which underlying health conditions may make individuals more susceptible to contracting the virus.
- Self-screening at home, using CDC guidelines.
- The importance of not coming to the site if members display COVID-19 related symptoms, or if they or someone they live with have been diagnosed with COVID-19.
- The importance of seeking medical attention if their symptoms become severe. Updates and further details are available on CDC's website.

- The importance of frequent handwashing with soap and water, including scrubbing with soap for 20 seconds (or using adequate hand sanitizer, per CDC guidelines).
- The importance of physical distancing.
- Proper use of face coverings, including:
 - Face coverings do not protect the wearer and are not personal protective equipment (PPE).
 - Face coverings can help protect people near the wearer, but do not replace the need for physical distancing and frequent handwashing.
 - The importance of washing and/or sanitizing hands before and after using or adjusting face coverings.
 - Avoid touching eyes, nose, and mouth.
 - Face coverings should be washed after each shift.
- Signage is to be posted at the site reinforcing the training topics.

Compliance and Documentation

- This site is regularly inspected for compliance with this SPP and any deficiencies are corrected.

Additional site meeting measures

- **Entry Inspection Station.** This site will be staffed by two designated Masons, one of whom should be the Tiler if available.
- One Designated Mason will take members temperature. The other will log them in and verify their vaccine or testing status.
- Set up table just outside of Tilers room. Wipes, hand sanitizer, gloves, extra masks, thermometers, and other supplies will be available as needed. Put on gloves ASAP so that you won't transmit the virus to anything touched by others. Screen Members as they arrive. Members are suggested to self-screen prior to arriving to the Lodge. No attendees or guests will be allowed further into the facility without being screened by the Designated Masons. Masks shall be worn over the mouth and nose at all times. If any person does not have a mask one shall be provided to them at the door.

Happy Birthday Brothers!

Degrees

None

From The West

Hello my Brothers and Sisters,

I am glad to say that we should be able to see each other in July! Let's keep our fingers crossed. Hope everyone is in good health and doing well.

I, for one, am glad to say that we are at the end of Balloting, and we will be able to move on to another topic.

804.560. OBJECTION BY A NON-MEMBER

A Lodge must give immediate attention to a proper objection made by another Lodge, a Mason of any Lodge, or a non-member to the election for the degrees, initiation, or advancement of an applicant or candidate. The Master should appoint a committee to investigate and report on the validity of the objection. If the committee determines that the objection is proper and valid, proceedings should be taken as provided for elsewhere in this Article as if the objection had been made by a Master Mason who is a member in good standing of the Lodge. If the committee determines that the objection is not proper and valid, no further action is required.

804.570. CONFERRAL OF DEGREE AFTER OBJECTION

If for any reason there is an erroneous conferral of a degree or degrees after an objection, the candidate retains the status reached but must wait one year and present an application for a higher degree or degrees.

CONFERRING OF DEGREES

804.610. PRESENTATION FOR INITIATION

A candidate, elected to receive the degrees in a Constituent Lodge, shall present himself to be initiated within three months after election. Failure to do so shall have the effect of a rejection by ballot and shall be reported to the Grand Secretary, unless the Lodge shall direct otherwise.

There is more in the CMC, but it does not cover Balloting. If you are interested, check out pages 106-115 in the CMC.

Thank you for taking the time to read this. I hope it was interesting. Next month, I will cover the topic of the duties of the Officers of the Lodge.

Hope to see everyone soon. God Bless.

Fraternally,

Bill Warner Sr.

Senior Warden

From The South

Hello my Brothers and Sisters,

The menu for (Filipino Day) June is:

Chicken or Pork Adobo with rice and garlic sauteed green beans with sesame seeds. Desert will be mango ice cream.

If we do open the Lodge in June, there will be a lot of different requirements because of COVID. Our Worshipful Master will be disseminating information from the Grand Lodge regarding these requirements. We all need to be safe and be wary of any problems that might appear.

Hope to see everyone soon. God Bless.

Bill Warner Sr.

Senior Warden

Acting Junior Warden

From The Secretary

Hello Brethren,

A few Brothers have yet to pay their 2021 San Leandro Lodge 113 Dues. By direction of the Grand Lodge of California, all members not paying dues by June will receive a Notice of Delinquent Dues, and the Grand Lodge will be notified of this delinquency. If a member is having difficulty paying their dues, please contact the Worshipful Master or the Secretary. If you are able to pay, you can log in with the Grand Lodge iMember 2.0 to see how much your dues are and make your payment on-line.

Have a safe and wonderful summer break.

Fraternally yours,

Norman R. Mallillin PM
Secretary
