OCTOBER 2019

FROM THE EAST

Greeting from the East,

We had a good turn out at our September Stated Meeting and it was nice to see many of you who attended. My best compliments to Wor. Dennis Wallace for providing our superb dinner. We were loaded with activities last month as we have our brother Wuilman Moran passed to the Degree of Fellowcraft.

As a reminder, the Grand Lodge of California's 170th Annual Communication will be on October 18th through 20th. I am encouraging our members to attend, meet brothers from all over the state and experience the installation of the New Grand Lodge Officers. Our Senior and Junior Wardens and Myself will represent our lodge by participating in the voting on this year's legislation changes. Don't forget to bring your current Dues Card to register.

Halloween is approaching! Put on your scary costumes and join us in our Halloween Party this coming October 26th at 6:00 pm. We need extra hands in the preparation of this fun and exciting evening.

I look forward to seeing you all at the Stated Meeting.

It is better to lead from behind and to put others in front, especially when you celebrate victory when nice things occur. You take the front line when there is danger. Then people will appreciate your leadership.

From the East,

Bro. Jun Pineda
Worshipful Master

FROM THE WEST

Brethren,

As an Institution that echoes and practices teachings of becoming a better man, Temperance, Fortitude, Prudence, and Justice are virtues we put into practice to hound our characteristics as better man.

We search our heart and our inner being from the time we seek admission into this honorable institution, then come to realize that our intentions could be far from the true principles and teachings of the fraternity. As we go deeper in learning what Freemasonry is, we come to realize that we have to frequently use the common gavel to work on the superfluities of our life. We must work on ourselves to become a "perfect stone" for the builder's use.

Extending Brotherly Love, Relief, and Truth to our fellowmen are tenets we have to put into practice in our everyday dealings, not only within the lodge but to everyone we come across.

Though we strive to commit to make a difference and be identified as Masons and as better men, sometimes our brethren are mislead and do things otherwise. However, we should always remember that we cannot fall short in bringing and winning them back into our fold, as it is an every Mason's duty to help and guide our mislead brothers.

As we are an institution governed by Laws and Regulations, hereunder is the list of acts defined as Unmasonic under our California Masonic Code.

Sec 1401.010. UNMASONIC CONDUCT.

The following constitute unmasonic conduct sufficient to support the filing of a charge against a Mason:

- A. Any violation, before or after initiation, of the criminal laws of the United States or of any other governmental entity involving moral turpitude;
- B. Any violation, before or after initiation, of any portion of the moral law;
- C. Any action or failure to act in violation of the requirements of this Code, the General Regulations of Masonry, the Ritual or the laws, rules or regulations of the United States or of any other governmental entity which involves the breaking of a promise, trust or confidence or which involves moral turpitude;
- D. Any action or failure to act which results in a conviction under the criminal laws of the United States or of any other governmental entity and which reasonably brings material harm to Masonry;
- E. Any action or failure to act in violation of a Mason's fiduciary duty to the Grand Lodge, the Masonic Homes of California, the California Masonic Memorial Temple, the California Masonic Foundation, a Lodge, a Masonic Hall Association, an Officers Association or a Masonic Service Bureau;
- F. Any action or failure to act in violation of the requirements of this Code, the General Regulations of Masonry or the Ritual, after receipt from the Grand Master of a notice requiring that Mason to act in accordance with those requirements; or

G. Any action or failure to act in material violation of the requirements of this Code, the General Regulations of Masonry or the Ritual, involving material harm to Masonry, a Mason, or the wife, or child, or widow of a Mason, even though the Grand Master did not provide a notice requiring that Mason to act in accordance with those requirements, including the following:

1. Intentional infliction of physical or mental injury or humiliation on a candidate, preliminary to, during or following a degree;
2. The following acts, if the conduct results in material harm to Masonry, a Mason, or the wife, or child, or widow of such a Mason:
 - a. Use of defamatory, vile, indecent, profane, abusive or threatening language,
 - b. Habitual intemperance and drunkenness,
 - c. Personal violence,
 - d. Falsehood, treachery and deceit, or
 - e. Actions similar to those offenses listed herein;
3. The following acts committed against his Lodge or the Master thereof:
 - a. Misrepresentation of any material fact in an application for degrees, affiliation or restoration,
 - b. Attempted resignation from or renunciation of Masonry,
 - c. Reducing the esoteric or secret portion of the Ritual to writing or another medium capable of being rendered into clearly intelligible form (other than in cipher),
 - d. Use of a cipher ritual during a tiled meeting (except as permitted by this Code),
 - e. Refusal to obey the Master's authority properly exercised,
 - f. Refusal to sign the Lodge's Bylaws upon request,
 - g. Improper use of ballot or objection to candidate's advancement without proper cause, or
 - h. Actions similar to those offenses listed herein;
4. The following acts committed by a Mason against Grand Lodge or the Grand Master:
 - a. Knowingly refusing to obey the Grand Master's authority properly exercised,
 - b. Electioneering as prohibited by this Code,
 - c. Membership in any organization advocating the violent overthrow of the government or an organization whose tenets are in conflict with the basic principles and tenets of Masonry, or
 - d. Actions similar to those offenses listed herein;
5. Declaration that he does not believe in a Supreme Being or a future existence;
6. Except as otherwise permitted in this Code, knowingly having Masonic Communication with or vouching for any person other than a Mason of a Lodge chartered by or holding allegiance to this Grand Lodge or to a Grand Lodge recognized by this Grand Lodge, who has not demitted, withdrawn, been expelled or been suspended from Masonry;
7. Acts or actions in material breach of the obligations of the degrees; or
8. The use of the Masonic name or emblems for other than legitimate Masonic purposes.

Brethren,

This month I would like to share with you a short background about the wonderful work of the California Masonic Foundation.

“California Masonic Foundation: Since 1969, the California Masonic Foundation has supported public schools, students, and teachers - from kindergarten to college - through meaningful educational partnerships and scholarships. The Foundation also provides support for community partnerships.

The Masons of California believe that a person who strives to improve himself can also improve his community and the world at large. To help future generations achieve this goal, the California Masonic Foundation and other Masonic-affiliated organizations award more than \$1 million in scholarships to students every year. Scholarships awarded by the California Masonic Foundation have enabled thousands of students to attend college.” - Freemason.org
