JUNE & JULY 2019

FROM THE EAST

Greeting From The East,

The success of San Leandro Masonic Lodge No. 113 continues on in May with another great month in our lodge. Bro. Adrian Quinones and Bro. Efren Sonza will be raised to the Sublime Degree of Master Mason a little after you've received this trestle board. I offer my humble thanks to all the members of the Degree Team for dedicating their time to our lodge. I take great pride in our officers who do an excellent work in these degrees. I'm sure that these next degrees are no different. Thank you to all the brothers for your continued support and to all the brothers visiting from other lodges, your presence is always appreciated.

We have a number of special activities for the month of June. First, I would like to invite all the brethren and their families to our Annual Summer Picnic on Saturday, June 22, 2019 at San Leandro Marina Park. The picnic is a free event to our members, family and guests. I am requesting all the brethren who are planning to attend to bring one of their favorite dishes, drinks or desserts to share and add to our main course. Please inform our Junior Warden and the stewards what you plan on contributing to allow us to plan accordingly for food and drinks.

Secondly, I would like to invite all golfers from all lodges to participate to Our golf Tournament which will be this coming Saturday, June 29, 2019 at Metropolitan Golf Course, if you want to join us feel free to text or call Bro. Dowel Juan for reservation (510) 332-8640.

Summer is upon us which means we are approaching our Dark month of July. Although we won't be holding any special events we will still have our Stated Meeting. Come and join us in celebrating our Independence Day. I wish every Dad a Happy Fathers Day and enjoy the warm days with your loved ones.

Sincerely and fraternally yours,

Bro. Jun P. Pineda

Worshipful Master

FROM THE WEST

Brethren,

I am happy to report that the Master and Wardens Retreat that we, your Pillar Officers and Senior Deacon, attended at Lake Tahoe was fruitful and meaningful. It was educational in the aspect of Leadership Skills, Long Term Planning, Communication, and Prospecting. The importance of Charity Work was also emphasized during our retreat. Please allow me to share some of the valuable lessons I've learned which I believe will be great tools in improving our Lodge's charity service in our fraternity and community.

As we are all aware, our Fraternity has existed and continues to exist observing and practicing its Three Principal Tenets: Brotherly Love, Relief, and Truth. Our Most Worshipful Stuart A. Wright, Grand Master of Masons of California repeatedly encouraged us Masons to make a difference, not only in our respective Lodge, but in our family, friends, neighbors, community, workplace, or even in random places. It was also encouraging listening to other Mason Brother's testimonies on how they allowed themselves and their respective lodge to be used as an instrument in fulfilling our Grand Lodge's theme: "Let us make a difference." Making a difference in a positive way is a charge our Grand Master has given us, Masons of California exemplifying our Fraternity's tenets and virtues.

Long Term Planning is also one of the many interesting topics in the retreat. Here, they taught us the importance of having long term plans for your lodge's success, not only during your respective term as Master of the lodge but also for your succeeding officers. Communication is a key factor for an organization to thrive and succeed. As Lodge Leaders, we were also taught the importance of listening to our members. Listening to their ideas, opinions and concerns is an important key for the Lodge's success.

This retreat was an engaging and enlightening experience that taught us how we can direct our lodge to its success and continued existence. However, without the support of the membership, these efforts become futile. Let us then continue to support each other and together, we can make a difference.

Always on the level,

Bro Eric Simsuangco
Senior Warden
